

TRANE XL15i

Efficient performance

The XL15i's SEER (Seasonal Energy Efficiency Ratio) rating of up to 16.25 makes it an energy-efficient choice for home comfort.

Economical operation

Increased efficiency may substantially lower your home cooling costs.

Quiet cooling

The XL15i features the lowest sound level of all Trane single-stage systems.

Durable construction

Materials for all components are tested again and again for long-lasting performance and reliability.

Better indoor air

Add a Trane Air Cleaner to your system for filtering that removes more dust, pollen and other irritants throughout your entire home for a cleaner, healthier, more comfortable home.

The XL15i includes

Every Trane air conditioner is packed with high-quality components. Each helps ensure that time after time, your unit will provide total comfort your family can rely on. The XL15i includes:

- Climatuff® Compressor
- Spine Fin™ Outdoor Coil
- Comfort-R™ Mode Approved for Better Humidity Control
- Full-Side Louvered Panels Protect Your Investment
- WeatherGuard II™ Top Shields Unit From Debris and Damage
- Baked-On Powder Paint Resists Rust
- Unique DuraTuff™ Non-Corrosive Basepan
- Advanced Fan System
- Sound Insulator on Compressor

Backed by Trane's industry-leading limited warranty

Ten-Year Limited Warranty on compressors and outdoor coil

Ten-Year Limited Warranty on internal functional parts

The Ten-Year Functional Parts Warranty extends to the indoor gas furnace, coil, air handler, or thermostat when installed as part of a complete XLi comfort system

Optional Extended Warranties available. Extended Warranties cover labor, refrigerant and other costs not covered by Manufacturer's Limited Warranty

Ask your dealer for full warranty information at time of purchase.

Warranties apply for residential use only.
