

TRANE XL90

Efficient performance

The XL90 is rated with a 92%+ AFUE.

Flexible heating

Two-stage heating helps prevent temperature swings.

Durable construction

Materials for all components are tested again and again for long-lasting performance and reliability.

Better indoor air

Add a Trane Air Cleaner to your system for filtering that removes more dust, pollen and other irritants throughout your entire home for a cleaner, healthier, more comfortable home.
