

Commercial Grade Quality
for Your Home

TRANE XV80

Efficient performance

The XV80 performs at 80% efficiency.

Comfortable, even heating

Variable-speed-fan motor adjusts speed to provide a consistent flow of warm, comfortable air.

Durable construction

Materials for all components are tested again and again for long-lasting performance and reliability.

Better indoor air

Add a Trane Air Cleaner to your system for filtering that removes more dust, pollen and other irritants throughout your entire home for a cleaner, healthier, more comfortable home.
